

It's time to start thinking about

VOLUNTEER PALOOZA!

Have a great activity you'd like to share?
Contact Claire!

This year we're back to Camp Wawbansee,
April 28-29, 2012

We'll be offering our usual opportunities to try out canoeing, archery, crafts to teach your troop, but what else would you like to do this spring? Are you interested in getting your outdoor certifications? Would you like to learn how to put on a weekend Journey book event? Expand your outdoor cooking skills beyond hotdogs and hamburgers?

We need input from YOU, Palooza veterans *and* newbies !
